Title: Extension Date of PESR Specific Assessment of Materials Certificate.

Dear Rob

This is to confirm that the validity date of the following TÜV UK Certificate issued to Fine Tubes Ltd, based at the address above, has been extended from 23rd August 2024 until 30th November 2024.

Certificate No.	Issuing Body	Issue Date
0879-PESR-31(8)- 21684-GB rev0	TÜV UK Ltd	29 th April 2022

This is granted to permit a mutually acceptable date for the recertification audit between both parties. There is no documentary evidence to suggest that your products would not comply to the above certificate during this extension.

Issued by the signatory on behalf of
TÜV UK Ltd

Ian Felce
Senior PED/PESR Engineer
